

School Age Enrollment Packet

Welcome to Sorrento Day
Care!

Welcome to the School Age Program at Sorrento!

School age is an exciting time of curiosity, soaking up facts, and learning everything about the world. Our school age program builds on this love of learning by including STEM projects, reading time, games, and sensory activities. We also have lots of outdoor time, including individual play and sport activities. The after-school program has a balance of learning time and homework time for kids to unwind after a long day of learning.

During no school days and summer time, our school age program has a full roster of activities, including projects focused around the themes of the center. We include field trips once or twice a week all summer, and we have several field trips on no school days during the school year.

Our school age kids also enjoy taking a center leadership role by creating activities and events for the younger children. Some of our enterprising school agers have taken on projects like helping build a center library!

The school age enjoys special early release Wednesdays with a chance to share stories about their special toys and items from home during Wednesday show-and-tell.

Eating Schedule:

School age children are offered a snack at 3:30 as they arrive to the center from their elementary schools.

During no school days, our cook provides breakfast at 7:00, morning snack at 9:00, lunch at 11:00, and afternoon snack at 2:30. All snacks and meals are prepared from scratch, and the menu is posted in the classroom and at the front entrance.

Transportation:

We provide transportation from the following elementary schools: Greenway, Hiteon, Fir Grove, Nancy Ryles, and Sexton Mountain. The children are transported in 12 passenger vans equipped with booster seats. All children under 8 years old and under 60 pounds are required to use booster seats, as are older children who are not physically large enough to sit safely in an adult seat.

We transport children from Greenway through a combination of walking and van rides. Talk to the director for details.

Supplies:

Each school age child is provided their own cubby to keep their backpacks and personal belongings. Please send a change of clothes that your child can keep at Sorrento in case of accidents or spills.
